

**Price: FREE**

Currently featuring 300 different visits in the United States!!!

This **FREE** online book is an interactive and informative resource to help you when planning a vacation or trip in the United States. It currently features 300 different visits all across this beautiful country and is continually updated after every trip! It also includes pictures, in some cases video clips, maps and detailed info for each visit. This info can be accessed anywhere you can get an internet connection. Finally, every place in this book was personally visited by the author, Trip T. Akers.
